

### 3 ECTS PhD-school: Dark Matter; Distribution, origin, detection and production

Contribution ID: 12

Type: **not specified**

## Cosmology, Astronomy and Dark Matter 4

*Thursday, 29 September 2016 09:00 (1 hour)*

- The Lyman-alpha forest and the temperature of dark matter
- Near-field cosmology and “small scale puzzles” in LCDM
- Including the effect of “baryons” (stars and gas) in the models

**Presenter:** Prof. READ, Justin (Surrey)
