

3 ECTS PhD-school: Dark Matter; Distribution, origin, detection and production

Contribution ID: 4

Type: **not specified**

Cosmology, Astronomy and Dark Matter 2

Tuesday, 27 September 2016 09:00 (1 hour)

- Cosmology primer
- Homogeneous Universe; FLRW metric; Friedmann equation; the “Lambda Cold Dark Matter” (LCDM) standard cosmological model

Presenter: Prof. READ, Justin (Surrey)
