

Board Meeting – SFS section, Elementary and Astroparticle Physics 2023-03-02 , 15:15-16:40

Present: Elin Bergeås Kuutman (UU), Chad Finley (SU), Sten Hellman (SU), Erin O'Sullivan (UU), David Silvermyr (LU)

Apologies: Sandhya Choubey (KTH), Gabriele Ferretti (Chalmers), Rikkert Frederix (LU)

Agenda:

1) Election of justeringsperson

Sten Hellman was elected.

2) Approval of last minutes

The minutes from the previous two meetings were been approved.

3) Brief news to share

4) Partikeldagarna at Fysikdagarna, Stockholm, Wed.-Fri. June 14-16

Registration for Fysikdagarna is now open at <https://indico.fysik.su.se/event/7762/> . The abstract deadline is April 21 and registration deadline May 5. Chad will send complete announcement to mailing list.

The following items were tasked:

- All board members will discuss with their local groups what questions they would like to see addressed by an invited representative of VR
- Chad will ask Jonas Strandberg about a report on IPPOG and general outreach
- David will circulate information about a PhD student currently at CERN who is working on physics software for high school students, for possible contribution
- Erin will ask Riccardo Catena and Roman Pasechnik about IUPAP presentation (respective members of C4 astroparticle physics and C11 particles and fields)
- Chad will talk to Dave Milstead about report from RECFA
- Elin asked Rebeca during the meeting, she is planning to attend and give ACCU report. This was only on slides last year, and in-person is important for Rebeca to get feedback
- Elin will ask Rickard Brenner about report from CERN Council
- Erin will ask Caterina Doglioni about report from SNOWMASS
- Chad can give a report on APPEC
- Elin, Sten will check if ATLAS Sweden day will be organized in conjunction with Partikeldagarna this year

5) Any Other Business

Chad will send a doodle for the next meeting in approximately 3 weeks.
